Linking parent, child and the Christian faith...

Milestone Ministries reach into the home and invite parent and child to join together for faith education.

Sometimes we build things: like Lenten crosses or Yule Logs at Christmas; sometimes we study, grow, talk and share; and sometimes we celebrate special occasions by giving a gift—like a picture Bible to our 3-year-olds and an Adventure Bible to our third graders. Whatever the event, parent and child have the opportunity to talk about Jesus, to think of what faith means for their lives, and grow in understanding.

Milestone ministries targets key events in your child's life. Gathered together with friends and parents, pastors and helpers, our children make new connections: to God; to parent; to church and faith. Linking us with our living God, that's what it's all about!

Reading a book is not the only way to learn about faith!
