## Harvest Fest 2026

Pastor Paula Geister-Jones

We may not have had as many people sitting down and enjoying the feast prepared for our Pig Roast this year, but I would say the Harvest Fest, Pig Roast and Bake Sale were still a success. We had between 50 and 60 people volunteer their time and talents to make it happen. We had an opportunity to work together and get to know one another better. The Craft room was busy with children getting their faces painted, pumpkins changing color before your eyes, cookies getting decorated and crafts being created. And if you had a chance to look outside we had a slew of young people in our backyard running around, bouncing in the Bounce House and playing outdoor games. It was such a beautiful fall day. Check out the pictures.

### **Sunday, November 8<sup>th</sup>: Worship**

**Preacher:** Pastor Paula

### **Sunday, November 15<sup>th</sup>: Worship with Holy Communion**

In the gospel reading for today Jesus tells a parable of his second coming, indicating that it is not sufficient merely to maintain things as they are. Those who await his return should use the gifts God has given them to make things better.

**Preacher:** Pastor Paula

### **Sunday, November 22<sup>nd</sup>: Christ the King Sunday**

We all know how the average King behaves. The Bible is full of them and it comes to the same conclusion 90% of the time. Kings usually think of themselves and only themselves. That is why Jesus is such a different kind of king. Jesus comes to serve, not to be served.

**Preacher:** Pastor Paula

## **Go and Tell by Roger Slack**

When I hear or read the story of Jesus going to the home of Mary, Martha and Lazarus, I can see Martha in the lives of many of my friends and family, primarily the women. Martha had invited Jesus to come to their home and was busy trying to make it special for him. I'm sure she had been going in high gear cleaning, getting food for a wonderful meal for who knows how many extra guests and then preparing it to be served. What Martha was doing was a very gracious act of love. It was something she could do and do well as a token of her esteem for Jesus and what he had done for her family and, very likely, many of her friends. Her preparations were leaving her exhausted and frustrated. She really needed some help from Mary, who was sitting in the other room listening to Jesus and the others talking. What Martha failed to realize was that what made the house special were the people that came together there. What made the meal special were the people that shared it together. Peanut butter on crackers and something to drink can be a nice impromptu treat for two friends that haven't seen each other for a long time. The special part is the talking to each other. At the end of the day, that will be the highlight for each of them, not what they ate.

I still admire the Martha's in my life, because they want the best for their friends and family. They love so deeply, but miss out on many of the conversations and laughter because they were in the other room trying to make it special for everyone else.

I encourage you to stop for coffee and a treat before or after Sunday services in the narthex and take the time to just visit with friends and strangers. Both can be a source of real enjoyment. I can't tell you how many times I've had that "It's a small world" experience when I've talked to someone new.

## NEWS FROM OUR TREASURER

### 2026 Budget Update; Remember November/December Benevolences

David Erdman, Interim Treasurer

As we approach the Thanksgiving and Christmas Holiday seasons, I just want to give a quick budget update and ask the congregation to remember their November and December benevolences to Christ Lutheran Church.

The congregation approved a balanced budget in February 2026 that assumed a 2% growth in pledged and non-pledged offerings. The approved budget also included a \$20,600 transfer from the Special Projects Fund that was intended to be repaid at the end of year with contributed support beyond this 2% assumption.

As of September 30, 2026, or three quarters through the budget year and then compared to benevolences at this time last year, we are just meeting the 2% growth assumption but have not yet addressed the additional funds needed to replenish the \$20,600 from the Special Project Funds.

Again, this is the situation as of September 30<sup>th</sup> and any decrease from benevolences given in the last two months of 2026 will have a negative impact on our 2026 budget situation. In short, we ask everyone to remember planned or additional benevolences to Christ Lutheran Church over the next couple of months with hopes of some additional giving coming in when compared to last year to help address the replenishment to the Special Projects Fund.

We are slightly above our budgeted expenditures, but we can address that situation by first meeting the revenue expectations. Please contact Dave with any questions.

# NEWS FROM OUR SOCIAL CONCERNS COMMITTEE

## **Blood Pressure Check**

A nurse (Brenda Zarth or Kelly Harrington) will be in the Conference Room the first Sunday of the month between 7:15 a.m. – 10:15 a.m. to check your blood pressure or to discuss any health concerns you might have. We will be starting this again in November.

Hello Everyone,

This is Brenda Zarth and I really enjoy doing the Blood Pressure Clinic. I would like to resume doing it every month, but I need more help staffing it. I prefer scheduling it the first or second Sunday of the month, and if we can get a schedule of volunteers to help Kelly and I that would be wonderful.

I like to start at 7:15 a.m. to catch the early birds before they've had too much coffee. I check blood pressures after the 8 a.m. service and after the 9:15 a.m. Worship Lite service, finishing at 10:15 a.m., once a month. We usually have about 10 clients per Sunday. If we get enough interest we could schedule it to be 2 people per Sunday, one early and one late person.

We have caught some health concerns and I have sent people to the ER as well as told them what to watch for and when to be concerned about health conditions. I also like to support our member's health and medication questions and concerns. I enjoy the visits. I believe it really helps to have an RN, Nurse Practitioner, Physicians Assistant, MD or DO.

I leave a box in the church with blood pressure cuffs and stethoscopes as well as pulse Oximeter (batteries). The church has an emergency box on the wall for emergencies. If you are a health care worker and would be willing to help staff the Blood Pressure Clinic even a couple of hours a year, please contact Brenda Zarth RN at 608-622-8803 or email: [Brendazarth@gmail.com](mailto:Brendazarth@gmail.com). Let me know what availability you have, if you want to check early or late.

## **Lutheran Disaster Relief**

This year our Quilters made 160 quilts; 80 sold with 81 sent to LWR. The Quilters donated \$1000 to get the quilts and kits from our church with enough left over to help get more kits and quilts sent to where they need to be shipped throughout the world. The congregation collected enough items to make 34 School Kits, 32 Personal Care Kits and 14 Baby Kits.

## **ELCA World Hunger and God's Global Barnyard**

Join the Sunday School classes in their effort to collect as many funds as possible by Thanksgiving to not only help feed, but to help make a family produce enough income to make them self-sufficient. Pick up a little piggy in the narthex and collect your change or write a check to Christ Lutheran with God's Global Barnyard in the memo line.

Hello Everyone!! How many of us enjoy the coffee, juice, snacks and fellowship in the cafe? Many of us I am sure. The Parish Fellowship committee would like to ask for your help. We have a sign-up for helping in the kitchen and/or bringing in treats each week. In addition we will have a sign-up genius available starting November 1<sup>st</sup>.

We NEED your help! If you are already here enjoying your morning coffee or snack, will you consider helping in the kitchen? Those that have already been helping have been such a blessing and please know it does not go unnoticed, but we cannot expect them to do it every Sunday and honestly they may not be able to stay to clean up after the services and Sunday School. If you are able to help, please consider signing up or helping out. We would LOVE to have your assistance! Also, if you want to join our Parish Fellowship board, we would love to have you; however, it is not a requirement for those signing up to help out. Please reach out to Kristine Annen at [kitten1annen@aol.com](mailto:kitten1annen@aol.com) if you have any questions or you can talk to anyone in the kitchen. Thank you for your consideration and for all you all do for our church!!!

## Thank You's

### Thank You CLC Quilters!

Thank you to our wonderful quilting group for another beautiful Quilt Sunday! The group meets from Mid-March through the end of October. Their creations of the quilts for Lutheran World Relief (LWR) is just the start of what they do. Just about anything that involves sewing we can thank the quilters for, including baptismal quilts, covers in the kitchen, school bags for LWR, and costumes. The quilters also donated \$1,000 towards shipping costs for the LWR quilts and kits to help get them where they need to go. The money was raised by selling quilts on Quilt Sunday.

A huge thank you to: Phyllis Gullickson; Rita Johnson; Cathy Frye; Linda Gibbs; Colleen Gregorich; Gloria Hayne; Marilyn Merryman; Gerry Ross; Mary Sime; and Berly Teigen. Thanks also to the various folk who have donated fabric and batting for the quilts and those who have written Thrivent grants to help us purchase additional materials.

### Thank You Michelle Bolstad!

Thanks Michelle for your many years of helping out at Christ Lutheran Church. We have so enjoyed you and your piano playing. You have been a great asset to the church.
